

finals studying advise

what works for
me, at least! 😊

- ① make list of all topics
- ② sort by least to most comfortable
- ③ for each topic:
 - ① review concept until you can explain it to someone else.
 - ② ask questions on Ed/at OH.
 - ③ do relevant exam/discussion problems until you no longer make mistakes.
- ④ do a full, timed practice exam.

week 14 notes

- last discussion! next week, this time will be drop-in OH.
- HW 14 due on Saturday.
- Fill out course evaluations → they help us a lot ♡ ♡
